

Sash Labelle Early Learning Centre Social Media Release Form

We have a few different social media pages for Sash Labelle ELC. We love to document what is going on in our Centre to show parents and the public what we are up to and what we are learning while doing it! We use these pages for all programs and ages. We have a private Instagram account that is just for parents, and public Instagram and Facebook pages as well as a website that we post generic pictures on. To ensure that photos and videos are displayed and used with your consent, please complete the following form.
